**Procedure 2029- F3**

**Classroom Animal – Parent Permission Form**

In accordance with the Anacortes School District's *Animals as Part of the Instructional Program Policy 2029*, animals in the classroom shall be for an appropriate educational purpose. Prior to their presence, permission from the principal and parents is required, as is proof of all required vaccinations. Animals will be leashed and attended to at all times. Special attention is given to furred and feathered animals in terms of their effect on allergic students. Such animals will not visit classrooms where there is a child with a known allergy to such animals. An alternative, available room may be used.

Your child's teacher, \_\_\_\_\_, is requesting permission for a \_\_\_\_\_ to visit your child's classroom. If your child is allergic to animals or frightened by them, please notify the teacher by telephone or in writing prior to \_\_\_\_\_ (date). For more information, please contact your child's teacher or school at \_\_\_\_\_(phone number).

I, \_\_\_\_\_ (name), the parent or guardian of \_\_\_\_\_, grant permission for a classroom animal and handler to visit my child's classroom during the current school year.

*(If you do not grant permission, please contact your child's school immediately and alternative arrangements will be made.)*

My child, \_\_\_\_\_, has the following medical conditions, medication information or allergies the district should be made aware of:\_\_\_\_\_
