**Procedure 2030-F1**

**Service Animal – Parent Permission Form**

In accordance with the Anacortes School District’s *Service Animal Policy 2030*, service animals are allowed on district property. Prior to their presence, permission from the principal and parents is required, as is proof of all required vaccinations. Animals will be leashed and attended to at all times. Special attention is given to furred and feathered animals in terms of their effect on allergic students. Such animals will not visit classrooms where there is a child with a known allergy to such animals. An alternative, available room may be used.

We are requesting your permission to allow a service animal in your child’s classroom. If you child is allergic to animals or frightened by them, please contact your principal. *(If you do not grant permission, please contact your child’s school immediately and alternative arrangements will be made.)*

I, \_\_\_\_\_ (name), the parent or guardian of \_\_\_\_\_, grant permission for a classroom animal and handler to visit my child’s classroom during the current school year.

My child, \_\_\_\_\_, has the following medical conditions, medication information or allergies the district should be made aware of: \_\_\_\_\_

\_\_\_\_\_
