Questions

Notes

<p><u>Learning Target/Success Criteria</u></p> <p>What evidence did you collect/note that shows which students met the success criteria for this learning target? How did the students know whether or not they met the criteria?</p>	
<p><u>Student Engagement/Pedagogy</u></p> <p>What went well in terms of student engagement and pedagogy? Do you have any new learning after this lesson?</p>	
<p><u>Assessment</u></p> <p>What in the moment adjustment, if any, did you make based on your formative assessment(s)? How will what you learned from this lesson focus or direct planning for future lessons?</p>	
<p><u>Classroom Environment and Culture</u></p> <p>What strengths in classroom environment and culture have you developed with this group of students? Do you have any concerns?</p>	
<p><u>Next Steps</u></p> <p>What are any areas of professional development that would further support your growth as a teacher – related to this lesson or any other area?</p>
