## September 2020

### Prize Books available until September 30

Have you reached your reading goal? If so, we have prize books ready for you! Since the library is closed our prize pick-up system is a bit different this year.

- Send an email to [lesliew@cityofanacortes.org](mailto:lesliew@cityofanacortes.org) when you reach your reading goal and you're ready to choose your prize book.
- Leslie will send you an email with a photo of prize books for you to choose from. Reply to that email with your selection and we will have it ready for you at Curbside Pickup (Monday to Friday 11 to 4).

Don't worry if you haven't finished yet. **The Grand Prize Drawing will be September 15th** and the winner will be notified by phone or email. To be eligible for the Grand Prize Drawing email us by September 11th to let us know you have finished. Prize books will be available through the end of September.

### Share Your Thoughts with a Survey

We appreciate your participation in Summer Reading 2020! Our program was certainly different this year, but we hope you were able to find a book or a new author to fall in love with. We are busy planning virtual programs for fall and want to have options that work well for your family.

Please take a few minutes to share your thoughts on Summer Reading and wishes for fall programs. It helps us so much in our planning! Look for the survey link on our website:

[library.cityofanacortes.org](http://library.cityofanacortes.org).

### STEAM Kits

We have kits to help you paint rocks, make bath bombs, and even use a telescope or microscope at home! We have all the supplies you need to explore art and science with your family. Each kit is available to check out for seven days. To put one on hold, log in to your library account and search for STEAM Kits in the catalog.
