## Library Card Partnership Program

The Anacortes School District partners with the Anacortes Public Library to provide library cards to all district students, regardless of whether or not they live in city limits.

- All students will receive one card for the entire course of their time with Anacortes Schools. If they lose their card, they should contact their school's librarian.
- New students can get a card from their school's librarian.

If you would **not** like your child to participate in this program, please fill out the Opt Out Form below and return it to your school's librarian **by October 16, 2017**.
