Kindergarten Registration Information

Children entering kindergarten must be age 5 by August 31, 2021.

Dear Families,

The Anacortes School District would like to welcome you to the Class of 2034. This is an exciting time for you and your child, one full of promise and possibilities. We know partnering with you is the best way to ensure your child has a rewarding experience from the first day of school to the last.

It is our commitment to provide a high quality and safe learning experience for all students. As we optimistically plan for a traditional, in-person instructional model this upcoming fall, we will continue to follow official health guidelines in determining if such programming is safe. In the event COVID-19 remains a critical health concern, we are also prepared to deliver an engaging hybrid instructional model.

We look forward to meeting you!

What documents do I need to register online?

✓ Copy of Child's Birth Certificate or Passport

This is required to verify the child's age, not citizenship. Birth certificates for children born in Washington State may be obtained at the Skagit County Health Department Vital Records Office. Call 360-416-1500 or apply online at www.skagitcounty.net/Departments/HealthVitalStatistics. Out of state records may be ordered from www.vitalchek.com.

✓ Medically Verified Immunization Record

All immunization records turned in to schools are required by state law to be medically verified. Immunization records must be turned into the school on or before the first day of attendance. A list of required immunizations can be viewed [here](#).

Here are some examples of medically verified immunization records:

- A CIS printed by a health care provider or school from the Washington State Immunization Information System.
- A CIS printed from [MyIR](#) which is a free Department of Health online tool that allows families to view and print their official immunization records themselves. Go to <https://wa.myir.net/register> to begin the sign-up process.
- A completed [Certificate of Immunization Status \(CIS\)](#) signed by a health care provider. Find the CIS form by visiting <https://www.doh.wa.gov/SCCI> and clicking on "Certificate of Immunization Status."
- A CIS filled out by you or another parent/guardian with medical records attached.

✓ Parenting plan/court order, if applicable

✓ Proof of guardianship if child is living with an adult other than the parent
